

## Meetings that make a difference. Book your next meeting room at The Corner to plant a tree for every delegate.

RBH are working in partnership with Trees for Life to create a grove as part of our Giving Something Back commitments.

The trees in this grove will be carefully planted in protected sites in the Scottish Highlands where they will create homes for wildlife and forests for the future.

Your conference donation of £5 per person will be subsidised by The Corner London City by £1 per person and will plant one tree.

**DDR (Day Delegate Rate) - starting from £75**
