

LET'S MEET. PAUSE. PLAY.

Let's Meet. Pause. Play. is Cairn Group's new framework for meetings and events – a unified approach designed to bring consistency, creativity, and purpose across our meeting venues.

Let's Meet. Pause. Play. shifts the focus from providing space and amenities to creating meaningful meeting experiences that support wellbeing, encourage engagement, and help people connect in more productive ways.

By embedding these principles across every venue, Let's Meet. Pause. Play. helps us deliver meetings that feel balanced, energised, and built for how people work today.
